

"When teens walk through our doors for the first time, I see that many are holding back. They are self-conscious about their teeth and nervous about the process ahead," says Dr. Jeff Phillips. "But after getting to know our staff and starting treatment, they really begin to relax and have fun here."

The **Hottest** Trend In Style... A **Gorgeous** Smile!

What can you have in common with Taylor Swift, Zac Efron, Miley Cyrus, and Nick Jonas? A look that dazzles with perfect-looking teeth. Phillips Orthodontics can help make your smile your most glam accessory.

Check out www.phillipsorthodontics.com to read more about Phillips Orthodontics' newly remodeled, state-of-the-art practice.

"Getting braces was such a great idea. I'm constantly smiling because of my new smile." —Emily, Madison

"Before my braces I hated having my picture taken, but now I can't stop!" —Holly, Blanchardville

"My new smile is a confidence booster...it makes me feel great." —Sophie, Waunakee

Chill out in Phillips Orthodontics' trendy café. Rock out to Guitar Hero®, grab a hot chocolate or coffee, tweet, or get caught up on your texts while you wait.

All models are actual patients of Phillips Orthodontics

"People are **always** complimenting me on my smile. I feel a lot more confident!"
